Please join us at the TASN 2026 Partnership Collaboration Summit. The TASN PCS is a collaborative event and a unique opportunity for industry members to network with and learn alongside K-12 child nutrition decision-makers from across the state.

This year's summit takes place at the iconic Tremont House Hotel in Galveston, situated just off the historic Strand in the heart of the city.

TASN wants to thank each sponsor for helping to make our events a success. It is because of your support that members of TASN can continue promoting excellence in school nutrition for our Texas children.

Available sponsorship packages will be presented on the next few pages. All sponsors will receive the listed benefits listed for their selected donation level. Please contact [valeried@tasn.net](mailto:valeried@tasn.net) with any questions. Your engagement with TASN makes an impact, and we're grateful for our partnership with you.
